

The Queens Long Island Medical Group, (QLIMG) is proud to announce the appointment of Seema Massand, MD as the new Medical Director of the QLIMG Richmond Hill Medical Office located at 125-06 101st Ave. Richmond Hill, NY 11419.

Dr. Massand received her Medical Degree from Christian Medical College, Ludhiawa, India, in 1989. She completed her Internship and Residency training at the Brookdale Hospital Medical Center, NY and is fluent in English, Hindi, Sinji and Spanish. Dr. Massand has been on staff at QLIMG's Richmond Hill Office since 1995 and is Board Certified in Internal Medicine.

Seema Massand, MD

"Dr. Massand is recognized as an innovative and caring clinician. She is well-liked by her patients and held in high esteem by all of her colleagues here at QLIMG. She is diligent and has been instrumental in development of the Richmond

Hill office and in the management each of her chronically ill patients. We welcome Dr. Massand to her new post and look forward to her leadership toward making the QLIMG Richmond Hill Medical Office the community's choice for comprehensive health care service", said Nicholas Vogiatzis, MD, President and CEO, Queens Long Island Medical Group.
